

## Sherry Fandrich French Appliqué Workshop Tuesday, August 16, 2022, 9:00 am – 3:00 pm

This machine appliqué class promises to be fun and inspiring! Sherry, a teacher from Gentry, Arkansas, will teach us a fast appliqué method without edge turning or hand stitching. You will be creating a piece of artwork using fabric as your paint. There are no patterns to follow! You may find your inspiration from a photo, still life painting, or even a piece of fabric. You will begin with a pieced background and add color by layering on cut out motifs from fabrics.

Save your spot now! The class will be held in the Tiara Yachts showroom, 725 E 40<sup>th</sup> Street, Holland, MI 49423. The cost is \$25 for members and \$35 for non-members.

Your class supply list is on the back of this form. Please wear your guild nametag and bring your own snacks, lunch and beverages.
